School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

MISSION STATEMENT

Bayside STEAM Academy staff motivates and inspires students to reach their full potential both academically and socially in a safe and stimulating learning environment. We are passionate about closing the opportunity gap and ending generational poverty through the engaging elements of our STEAM program.

Academic/Intellectual

Bayside STEAM Academy promotes students who are intellectually well rounded. Graduates are competent in reading, writing, mathematics, and the engineering design process. They master state standards, are fluent English proficient, and they can solve complex problems with creativity and by collaborating with their peers.

Social/Emotional

Bayside STEAM Academy students will be respectful and responsible PeaceBuilders who are motivated and eager to learn.

Global/Community

Embracing cultural differences, our students will know that their actions will impact their community, they know that success today leads to greatness in the future.

SCHOOL OVERVIEW

Bayside STEAM Academy is one of 11 schools in the South Bay Union School District. Bayside currently serves approximately 530 students in grades transitional kindergarten through six. The school is located on 10 acres of land and has 33,542 sq.ft. of permanent buildings, including 32 classrooms.

Student support services include, but are not limited to: speech; a resource specialist; psychologist; and nurse. Additionally, Bayside STEAM Academy has added the following STEAM rotation classes: engineering and computer science. All students have access to Chromebooks in the classroom and we are 1:1 in grades 3-6. Students in grades 4-6 are permitted to take home their Chromebooks allowing them the opportunity to access the internet and continue learning off campus.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: September 2019

The South Bay Union School District sets a high priority on providing sufficient textbooks to support each school's instructional program. Adoptions are conducted on a six to eight year cycle by subject, in an effort to ensure textbooks are always current. All adopted textbooks and instructional material programs meet state standards and have been adopted by the State Board of Education and South Bay Union governing board.

The availability of sufficient state-adopted and standards-aligned textbooks for each pupil, including English learners, for use in class and to take home are consistent with the content and cycles of the curriculum frameworks adopted by the California State Board of Education in all core curriculum areas.

The following information is current as of September 2019

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

Bayside's enrollment is at student capacity. Security is bolstered by the presence of a security resident who lives on the property and inspects the property during nights and weekends to prevent vandalism and theft. In addition, surveillance cameras are located throughout the campus.

District Maintenance and Custodial staff take great care in ensuring that all schools are clean, safe, and functional. Lawns are mowed on Saturdays in an effort to minimize any classroom disturbances. Cleaning schedules are developed by the Principal and the Facilities Director to guarantee daily cleaning of campus. Restroom facilities are inspected three times a day by the Head Custodian to ensure they are fully stocked and in full working order. Any needed repairs are addressed in a timely manner. Copies of inspections are available at the school and facilities offices.

The Head Custodian also performs a safety inspection on a monthly basis. The monthly report is submitted to the facilities office. Regular and preventative maintenance is ongoing. The district employs a computerized online work order system for efficiency and better record keeping.

As per Education Code, the district is required to include in this document, a description of any needed maintenance to ensure good repair as specified in statute. "Good Repair" means the facility is maintained in a manner that assures that it is clean, safe, and functional as determined pursuant to a Facilities Inspection Tool (FIT) developed by the State of California Office of Public School Construction (OPSC). The FIT will evaluate the conditions at a school site with ratings of "good," "fair," or "poor." The FIT also provides an overall summary of the conditions at each school on a scale of "exemplary," "good," "fair," or "poor." The instrument shall not require capital enhancements beyond the standards to which the facility was designed and constructed.

OVERALL SUMMARY OF SCHOOL FACILITY GOOD REPAIR STATUS

At the time of the above inspection on August 12, 2019, the average ranking for Bayside Elementary was 96.75%, giving the school a rating of "Good." The rating is determined by the average of the 15 categories addressed. Below are the percentages, descriptions, and ratings, as per the Facilities Inspection Tool (FIT).

Please note that all needed repairs or deficiencies identified in the August FIT report have been completed and/or resolved.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 08/12/2019

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	17	17	29	30	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Bayside STEAM Academy welcomes participation and support from parents and community members. For information on opportunities for involvement, parents and community members may contact their classroom teacher or the school at (619) 628-2500. Bayside's parent volunteer coordinator and PTA president, will assist in recruiting and placing school-wide volunteers. Some examples include: Jog-a-thons, Book Fairs, Family Dance Night, Winter Concert series, Bi-monthly Free Farmers Market, Bingo Nights, Steam Fairs, Trunk or Treat, Back to School Night, chaperoning field trips, and supporting classroom teachers.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

South Bay Union School District has developed a Crisis Response Box for each of its school sites. Each box contains a comprehensive Emergency Procedural Guidelines binder specific to each site. The binder includes state required disaster procedures such as, but not limited to, bomb threat, earthquake, fire, medical emergency, missing student, and shootings. Evacuation maps, evacuation sites, key phone numbers, district/site communication plan, are just a few of the elements included within the plan. School staff reviewed the plan on July 16, 2019. School sites conduct various types of drills on a regular basis throughout the year, and record the exercise on the Emergency Drills Record form, which is submitted to the district office each December.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	18	12	14

South Bay Union School District's academic calendar includes four full days and 51 minimum days (early release Wednesdays and other days) that are dedicated to staff development, teacher planning and parent teacher conferences. The four full days are placed at the start of the academic school year, while the minimum days occur throughout the year. In addition, teachers at all school sites receive a minimum of two days of release time to meet as a school leadership team (SLT).

Professional Learning Communities (PLCs) are at the heart of all staff development, ensuring a deeper implementation of effective instructional strategies, driven by student achievement data. Bayside STEAM Academy's PLCs days are divided up in the following manner: 11 staff meetings, 26 PLC days (where 8 PLC days are directed by administration) and 3 PLC days (minimum days which are open.) In addition, 2 PLC days are district directed. Bayside's Leadership Team (BLT) meets 11 times throughout the year.

Bayside ELA/Math PD is also supported by district TOSA's throughout the year (on an every third week basis.) Additionally, during the 2019-2020 school year, we have scheduled 5 days of principal led data meetings focusing on reviewing student work and assessments to help inform our daily instruction.
